Dominating mineral aromas fill the nose with mango, ginger, and refreshing hints of mint. The 2013 is full-bodied, supple and rich on the palate. A highly complex and firmly structured wine with elegant flavours of pineapple, botanical herbs, and lime. There is a ripe lemon acidity that develops into a persistent finish with grip and tension. Grown on the most precocious hillside, Mambourg has benefited from maximum sun exposure, magnesium, limestone and marl filled soil since the Quaternary Oligocene period. These rare traits provide unique characteristics of round, smooth palates and the presence of powerful tannins. The microclimate creates impeccable dry wines with power and superb complexity. The Mambourg is delectable when paired with truffle, morels and Comté cheese.

Established in 1744 in Bergheim, Domaine Marcel Deiss is nestled in the heart of Alsace. Managed today by Jean-Michel Deiss and his son Mathieu, the domaine consists of 26 hectares of hillside vineyards spread over 9 communes. In his wines, Jean-Michel seeks to express the 3 factors that make a wine complete: the grape variety, the vintage and the terroir. The geology, pedology, climate, and technical exploitation of the soil, microfauna and flora are all taken into account during his biodynamic agricultural and vinification process. The commitment and integrity of this domaine allow them to create wines of exceptional quality and authenticity.
