"Eau du Désir" means "water of hope". Lush aromas of grapefruit and herbs. Gentle honey-like sweetness on the palate followed by soft acidity and a hint of minerality.

Vintages indicate rice harvest year, showing vintage condition variation and aging potential.

A cult brewery from Aichi Prefecture, Kuheiji is pioneering the next generation of young sake brewers. Kuheiji has been revolutionary in using vintage rice as well as aging sake to develop complexity, taking cues from winemakers in Burgundy.
